

About Admission to the Yokohama City After-School Kids Club

1. What is the After-School Kids Club

The After-School Kids Club is a project that uses elementary school facilities. **Its purpose is to provide (1) a free “play space” for all children and (2) a “childcare space” for children from unattended households.**

It started in 2004 and was a part of all Yokohama elementary schools as of 2020.

★From Yokohama City to all guardians★

Yokohama City is reviewing the After-School Kids Club in order to make further improvements.

In preparation for 2022, we will hold review meetings to broadly listen to the opinions of experts and related individuals, we will survey individuals related to the project, and then we will move forward with discussions while gathering the opinions of experts from the “After-School Committee of the Child and Childcare Conference”. Accordingly, you will be informed separately if there are changes to the “Entrance Guide” when using the club in 2022.

2. After-School Kids Club’s Days of Operation

The After-School Kids Club is open on all days except for Sundays, national holidays, and the New Year holiday period (December 29 to January 3).

However, it may be closed due unavoidable circumstances, and it may be closed or the hours may be shortened if there are no requests for use.

The days and hours for using the club are different depending on the usage classification.

3. Usage classifications of the After-School Kids Club (As of 2021)

There are two usage classifications: **the “Wakuwaku” classification, where the club is a play space, and the “Sukusuku” classification, where the club is both a play space and a childcare space.**

The Sukusuku classification is further divided into “Yuyake”, which runs until 5 pm, and “Hoshizora”, which runs until 7 pm.

The following table provides an overview of the differences between the usage classifications. Choose the classification that matches your purpose of use.

4. Wakuwaku [classification 1]

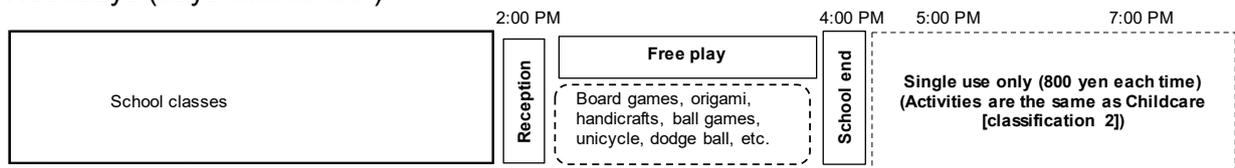

(1) Usage hours

Weekdays	After school until 4 pm
School holidays*	2 hours a day (varies according to the After-School Kids Club)

* It can be used on Saturdays for single uses or when participating in events.

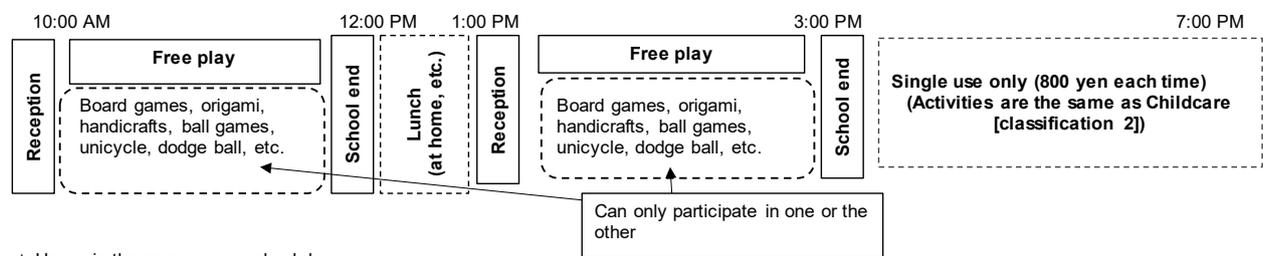

(2) Standard example of daily activities

<Weekdays (days with school)>

- ★ The child can play after the usage card is submitted at reception.
- ★ Programs may be held during the free-play time. Children can participate in the programs if they want.

<School holidays (excluding Saturdays)>

- ★ Usage is the same as on school days.
- ★ Children in the Play classification [classification 1] can only participate in either the morning or the afternoon session.
- ★ Except for single uses, children in the Play classification cannot eat lunch at the club.

* The above figure is an example from Yokohama, but the actual activity schedule and details may vary.

(3) Usage fee

The Wakuwaku classification [classification 1] is **free**. * However, there is a mandatory insurance cost.

Single uses

The single-use system is for accepting a child in the Wakuwaku classification [classification 1] until 7 pm as a child from an unattended household when a guardian has temporary business and is away from home during after school hours. The Sukusuku classification [classifications 2A and 2B] can only be used when there is an open child slot. Single uses require an advance application, and each use costs 800 yen plus the snack fee (actual cost). With single uses, you do not have to pick up your child until the final ending time of the After-School Kids Club, but you must come after.

(4) Participation in events (after 4 pm)

Various events are held at the After-School Kids Club to provide fulfilling activities to children. If children in the Wakuwaku classification [classification 1] participate in an event that extends beyond 4 pm, the child is expected to participate until the end of the event. Please confirm the ending time with your child.

- * For your child to participate in some events, you may be charged the materials cost, etc. Information on events and applications will be provided in detail through Kids News.
- * For single uses, your child can continue to use the After-School Kids Club after events end.

(5) Usage limitations in case of emergency

If warnings have been issued, severe weather is expected during the summer holiday, there are effects of the new coronavirus infection, etc., and a safe play space for children cannot be ensured, **restrictions may be applied to the Wakuwaku classification [classification 1].**

If such restrictions will be applied, you will be informed in advance.

The following measures will be taken in 2021 in response to the new coronavirus infection.

[Measures to prevent the spread of the new coronavirus infection]

To prevent the spread of the new coronavirus infection, the After-School Kids Club is operating while implementing safety measures based on Yokohama City's "Guidelines for After-School Childcare Businesses in Yokohama City on Measures against the New Coronavirus Infection".

In 2021, the usage times and days will be partially restricted to avoid crowding in the Wakuwaku classification [classification 1], which is a play space, based on instructions from Yokohama City.

As there are still no signs that the spread of infection will be resolved soon, the usage times and days may continue to be restricted for the Wakuwaku classification [classification 1] in 2022 as well based on instructions from Yokohama City.

We appreciate your understanding and cooperation.

5. Sucusuku [classifications 2 A and B] (As of 2021)

The Sucusuku classification [classifications 2 A and B] is a childcare space to support guardians so that they can comfortably integrate childcare and work. Users are charged an appropriate usage fee. This usage fee is used to maintain operations and activities for the Kids Club.

	Sucusuku (Yuyake) [classification 2A]	Sucusuku (Hoshizora) [classification 2B]
Usage fee (monthly)	2,000 yen	5,000 yen

(3) Notes on using the fee-reduction system

6. Joining the insurance plan

All users of the After-School Kids Club are required to join the insurance plan for injury and accident compensation and to pay the premium (800 yen or less per child).

The insurance premium covers the entire year and cannot be refunded once paid.

8. Determination of usage

Generally, the After-School Kids Club can be used from the desired date provided in the usage application.

However, if information is missing from the application or if falsehoods are discovered, the registration for the Sukesuku classification [classifications 2 A and B] may be denied. In this case, you will be contacted in advance by the After-School Kids Club or an administrator.

9. Starting day of usage for new 1st grade students

Starting day of usage for new 1st grade students varies according to the usage classification the child is registered in.

Usage classification	Usage start date
Wakuwaku [classification 1]	Out of consideration of the effects on school life, the After-School Kids Club can be used from the specified date. However, single uses (800 yen each time + snack fee) are possible from April 1.
Sukesuku [classifications 2 A and B]	Can be used from April 1.

<Cautions for use by first-year students>

Regardless of the usage classification, please cooperate with the following for first-year students that will use the club during the period from April 1 until the start of reception for the Wakuwaku classification [classification 1].

- (1) A guardian must drop off and pick up the child.
- (2) An advance meeting with After-School Kids Club staff may be required to understand the child's circumstances.

10. Changing the usage classification

After registration, submit a usage change notification to change the usage classification mid-year due to work changes, etc.

The usage classification generally cannot be changed in the middle of a month. Submit the usage change notification to the After-School Kids Club by the specified date in the month prior to the change. However, we must adjust the number of slots during summer vacation (July and August). Therefore, the application must be submitted by the date specified by the After-School Kids Club.

Please avoid frequently changing the usage classification as this can disrupt the daily rhythm of the child and be stressful for them.

<Submitting documents that prove the household is unattended, etc.>

- If changing the classification from Wakuwaku [classification 1] to Sucusuku (Yuyake or Hoshizora) [classification 2 A or B] during the year, documents must be submitted proving that the house is unattended (see pages 7 and 8).
- Even if you were registered for the Sucusuku classification (Yuyake or Hoshizora) [classification 2 A or B] in the past, if you change the classification from the Wakuwaku classification [classification 1] to the Sucusuku classification (Yuyake or Hoshizora) [classification 2 A or B], documents must be re-submitted to certify that the house is unattended (see pages 9 and 10).
- If changing the sub-classification of the Sucusuku classification [classification 2 A or B] (from/to Yuyake [2A] or Hoshizora [2B]), documents for verification do not need to be re-submitted.
- Documents that prove the household is unattended, etc., must be resubmitted if the workplace, work situation, etc., changes.
